

TO WHOMSOEVER IT MAY CONCERN

This is to inform that Deepak Sati has successfully completed internship from 2/7/2022 – 5/30/2022 as an Intern - Product Engineering at Icertis, Pune.

In the course of the internship, Deepak was found to be punctual and hardworking in executing the assigned work. It has been observed that he takes work seriously, takes full ownership of tasks assigned, and understands the seriousness of being professional.

During the internship, he demonstrated good skills with a self-motivated attitude to learn new things and the performance met our expectations.

We wish Deepak the very best in the future professional endeavors!
